# PRIVACY POLICY

Last updated: 4 November 2026

This policy explains how Developer.shop handles the personal data of people who use the website developer.shop and send us a brief.

## 1. Who we are

1.1. Data controller: Individual Entrepreneur Nikolko Vladislav Viktorovich, Russian tax ID (INN) 231295939400, OGRNIP 326237500503819, Krasnodar, Russia.

1.2. Contact for any question about your data: hello@developer.shop.

## 2. What we collect

2.1. When you fill in the brief on the website, we receive what you type or choose: the type of project, its description, the desired launch time, your name, your email address and any files you attach.

2.2. If you write to us by email, we receive your email address, your message and its attachments.

2.3. Our hosting provider keeps standard server logs: IP address, browser type, the page requested and the time of the request. They are used only to keep the website working and secure.

2.4. We do not use analytics or advertising cookies and do not track you on other websites. The website stores one technical value in your browser so that the opening animation is not shown twice during one visit. It contains no personal data.

## 3. Why we use it

3.1. To answer your brief, ask questions and send you a proposal.

3.2. To prepare, sign and perform an agreement with you if you decide to work with us.

3.3. To meet our legal obligations, for example to keep accounting documents.

3.4. We do not use your data for advertising and we do not sell it.

## 4. Legal basis

4.1. We process the data in your brief on the basis of your consent, which you give separately when you send the brief (the document “Consent to personal data processing”), and also to perform an agreement and where the law requires it.

## 5. Who else sees it

5.1. Your data is seen only by the people at Developer.shop who work on your request.

5.2. Your brief and its files are stored on our server in Russia. We get a Telegram notice of a new brief with its number and the type of service only, without your personal data.

5.3. Our email runs on Microsoft 365, whose servers are in the United States. When we exchange emails with you, your name, address, messages and attachments are stored by Microsoft. We have notified Roskomnadzor of this cross-border transfer.

5.4. We disclose data to authorities only where the law requires it.

## 6. How long we keep it

6.1. If we do not start working together, we delete the brief, the files and the correspondence within 1 month after our last message.

6.2. If we sign an agreement, we keep the data while the agreement lasts and after that for as long as the law requires us to keep contract and accounting documents.

6.3. Server logs are kept by the hosting provider for no longer than 1 month.

## 7. Your rights

7.1. You can ask us what data we hold about you, ask us to correct or delete it, ask us to stop processing it, or withdraw your consent. Write to the email in clause00a01.2. We reply within 30 days.

7.2. If you are in the European Union or the United Kingdom, you can also complain to your local data protection authority.

## 8. Security

8.1. Access to briefs, files and correspondence is limited to the people working on your request. Test links of projects are protected by a password.

## 9. Changes

9.1. We may update this policy. The current version is always on the website, with the date of the last update at the top.
